

The Heritage Bird Watcher's Checklist

HOW TO USE YOUR CHECKLIST

The bird checklist was designed to be informative and simple to use. The birds under major headings are arranged in alphabetical order. Symbols which appear in this checklist represent the following:

SEASONAL APPEARANCE

Sp - Spring - March to May

S - Summer - June to August

F - Fall - September to November

W - Winter - December to February

Seasonal Abundance

a - abundant: a common species which is very numerous

c - common: certain to be seen in suitable habitat

u - uncommon: present but not certain to be seen

o - occasional: seen only a few times during a season

r - rare: seen at intervals of 2 to 5 years

x - accidental: out of normal species range

Listings

	Sp	S	F	W
